

## GLR-1510GT-01A/PB Label Sewing Machine

### Range of application

### Product Features

- 1. Ergonomic Sewing Platform:**  
Features a specially designed sewing platform for simple, flexible, and user-friendly operation.
- 2. Enhanced Stitch Precision:**  
The presser foot moves in the Y-direction, ensuring the fabric remains stationary during sewing. This results in even edge margins and a more refined finish.
- 3. Versatile Sewing Area:**  
Offers a sewing area of 150mm x 100mm, suitable for a wide range of applications.
- 4. High-Speed Performance:**  
Supports a maximum sewing speed of 2800rpm for efficient and high-quality production.
