

GLR- 36-S7300A

AUTO POCKET SETTER

(Special for KNIT Fabric)

Range of application

Product features

- You don't need a pointed operator; there's no need for ironing.
- Adopt mechanical pocket folding and a one-time sewing completion process, ensuring stable sewing quality.
- No technical requirements for operators; simple training can be employed.
- Daily production efficiency of 2000-2200 pcs / 8 hours
- The sewing shape can be set arbitrarily (oblique angle, right angle, rounded angle, etc.).
- 10 seconds for pocket attaching, no need to move the cloth for sewing, and the production efficiency can be more than 7 times compared with ordinary models.

Specification parameter

Model	GLR-36-S7300A
Max pocket area	280mm × 280mm
Min pocket area	45mm × 45mm
Max speed	3000 RPM
Stitch length	0.1 – 12.7 mm
Pattern quantity in memory	999 + USB memory
Power Supply	220V Single Phase 50/60Hz (Earth wire needed)
Barometric pressure	> 0.5 MPa
Net weight	850 kg
Gross weight	1100 kg
Machine dimensions (L×W×H)	170 × 145 × 165 cm
Package size (L×W×H)	190 × 165 × 185 cm
